Michael Coggin, Mayor - Rodney Bell, Mayor Pro-Tem  
Aldermen - John Cole, Paul Cox, Jason Howard, David Jasen Graham  
Don Ferguson, Village Administrator

---

September 23, 2022

Starting **Monday, September 26, 2022**, and running through **Thursday, September 29, 2022**, the Village of Salado will be making improvements to the pavement surface of Pace Park Road from Main Street to Main Street.

Beginning Monday, the crews will be making spot repairs and adding asphalt to “level up” damaged or rutted areas. On Tuesday morning, the crews will begin to pave a layer of asphalt onto the top of the entire length and width of Pace Park Road. The paving operation will proceed in a rolling fashion, beginning at the south end of Pace Park Road where it intersects Main Street across from First Baptist Church.

As the paving crews progress along the road, the new pavement will be processed for a brief period before normal traffic operations may resume. Business parking areas and residential driveways may be impacted for a couple of hours as the work progresses. Crews will do everything possible to minimize the inconvenience for residents and business owners in the area. Your patience and cooperation are appreciated

The paving operation is anticipated to take place prior to business hours on the southern end of Pace Park Road between Main Street and Art Fair Road to avoid impacting businesses in the immediate area. Paving operations on the north end of Pace Park Road, in front of the residential properties, will take place during the workday. Art Fair Road will always be open during the paving process.

If you have any questions or would like more information, please contact MRB Group, PC (Steven Kirkpatrick, P.E.) at 254.800.5621, or Village Administrator Don Ferguson at (254) 947.5060. Also, feel free to contact Project Inspector Justin McBride at (931) 272.6694 with any questions.
