Mayor Protem Cooper called the workshop to order at 3:05pm.

This workshop was to discuss and learn from Jim Reed and Shannon Mattingly what the Board of Aldermen have to do to put together a strategic plan and how the plan is developed.

The group outlined the Aldermen's goals, both current and future, discussed current revenues and other possible revenue sources, and ways of accomplishing surveys and public outreach. The board was united in believing that the health, safety, and welfare of the citizens of Salado is priority.

Jim and Shannon will put together a report of this workshop and the board will meet again in approximately two weeks to go over the goal items suggested at this meeting and consider the readiness of the board to go ahead with putting together a strategic plan.

This workshop involved only discussion, no actions were taken.

Workshop adjourned at 6:45PM.
