Mayor Stalcup called the workshop to order at 9:00am.

John Simcik provided the Board with a revised map of the Salado area indicating in yellow a possible area to be serviced by a sewer system. The Board agreed on the revised map. John will draw up the study agreement and resubmit.

Susan Terry explained that the proposed Sculpture Park she's working on is part of the Villages master plan for trails. The project would be paid for by grants and donations. In order for the Presbyterian Church to agree to the lease the Village must act on it by September 2010.

Each Alderman gave their idea of what they would like to see Salado become and any ideas on how to get there.

A budget workshop date of Thursday, July 15th at 9AM was scheduled.

This workshop involved only discussion, no actions were taken.

Workshop adjourned at 11:05PM.
