Mayor McCort called the workshop to order at 4:30pm.

1. Proposed Zoning Ordinance Changes

Mayor McCort began going over recommended changes by the zoning review committee he put together. Due to the length of the document, the Board stopped reviewing changes to move on to the other agenda items.

2. Proposed Animal Ordinance Changes

The animal ordinance is proposed to help control and, in some areas, prohibit farm and domestic animals in the Village. The Board recommended adding a provision for prohibiting the feeding of deer. This item will be brought back to the Board at a later date.

3. Discussion on City Manager or City Administrator

The Chamber of Commerce has requested the Board of Aldermen to approve the concept of hiring or appointing a city manager or city administrator. The Board discussed the need, or lack thereof, city management.

This workshop involved only discussion, no actions were taken.

Workshop adjourned at 5:52PM.

Respectfully submitted,
