1. Review of City Administrator Project Priorities

The topic of setting priorities for the new City Administrator was discussed in detail. Alderman Ashe provided a preliminary list of items. It was decided to have an additional workshop on Thursday, August 15, 2013 at 4:30PM wherein each Alderman would bring their list of top priorities and the group would make a mutually agreeable list for implementation at that time.

This workshop involved only discussion, no actions were taken.

Workshop adjourned at 5:20PM.
