

“NOTICE OF PUBLIC HEARING ON WASTEWATER IMPACT FEES”

NOTICE IS HEREBY GIVEN that the Board of Aldermen of the Village of Salado, Texas will hold the *second* of two public hearings at the Salado Municipal Building, located at 301 N. Stagecoach, Salado, Texas on Thursday, July 5, 2018 at 6:30 p.m. The purpose of this second Public Hearing is to consider the calculation of the maximum impact fee amounts and possible imposition of impact fees for new or expanded wastewater utility service from the Village’s wastewater utility.

The potential impact fee application area is shown in the map below. The areas in the proposed impact fee application area are the areas where the impact fees, if enacted, may be levied in-full or in-part, depending on the service arrangement and in no way obligates the Village to extend utility service beyond its incorporated area.

The maximum amount of impact fee that can be charged per Living Unit Equivalent (LUE) has been calculated to be \$5,152 for wastewater service. *The exact amount of the impact fees to be levied, at or below the maximum, will be determined by the Village of Salado Board of Aldermen subsequent to the Public Hearing.*

Any member of the public has the right to appear at the hearing and present evidence for or against the underlying planning data, imposition of impact fees, or the impact fee amounts. Information on the maximum fee calculations is available from Village Staff at the Salado Municipal Building, located at 301 N. Stagecoach, Salado, Texas, from 8 am to 5 pm weekdays.
